Our mission is to continuously build and support a better community by building character and leadership skills in our members. The organization was founded in 1972 as a youth basketball team.

Today, we continue to host social, cultural, recreational, educational and service events throughout the year. We proudly boast an active volunteer roster of over 120 members. Our members currently participate in community service, basketball, volleyball, lion dance, and much more.

The net proceeds from this year's Banquet Fundraiser will be donated directly to the **Eastern Tower Community Center**. The Eastern Tower is a flagship mixed-use residential, retail and community center project planned in Chinatown. Please visit [www.eastertowercc.com](http://www.eastertowercc.com) for more information. We hope you will join us for a night of great fun, food, and prizes!
